

- That the FCC should not implement any proposal that would lessen Indiana's Telephone Privacy law protections.
- How Indiana's Telephone Privacy law has improved your time at home.
- How effective Indiana's law has been (e.g., "I used to receive 12 calls per week, now I only receive one").
- Any of your personal views about the importance of Indiana's law.

Please do not do away with your prior action. I cannot convey to you how wonderful it is to know that when I pick up the phone it is someone I want to talk to, a friend or family. Please.
